## MISSION STATEMENT

The mission of Lambuth University, an institution of the United Methodist Church, is to provide an affordable, church-related, person-centered, undergraduate educational experience of high quality, which emphasizes the liberal arts and sciences, professional programs designed for intellectual growth in the pursuit of meaningful employment, responsible and informed world citizenship, and Christian stewardship and service.

# The University

Lambuth University is an independent undergraduate, church-related institution supported by the Memphis Annual Conference of the United Methodist Church. Since 1843, with its beginning as Memphis Conference Female Institute, Lambuth has provided students an opportunity to use their intelligence in the service of God and humanity.

Lambuth University is located in Jackson, Tennessee, a city of about 55,000 people, in the heart of West Tennessee. Jackson is easily accessible by highways Tennessee 20, U.S. 45, 70 and Interstate 40. The city of Jackson is a major commerce center for West Tennessee and has three other institutions of higher learning in addition to Lambuth, a civic center, coliseum, symphony orchestra, excellent medical facilities, parks and shopping centers.

Lambuth has a limited enrollment with small classes and much responsibility for students in the areas of academic and social life. All students who enter the University are expected to support its purpose and abide by its regulations; however, students are encouraged to think for themselves, and—in the context of a world that changes each day—students have the opportunity to question, to discuss, and to bring their concerns to the faculty and administration of the University. The University recognizes that students' concerns and questions and the University's purpose are the reasons for their being at Lambuth University.

In providing an academic atmosphere for students, any institution must have a faculty who support the purpose of the University and who respond to students. Lambuth University knows that the faculty and students are the most important part of the University's existence. Even though faculty members participate in research and scholarship, their primary responsibilities are teaching and advising.

As evidence of its commitment to teaching and learning, the University has a sequence of courses required of all students. These requirements include two courses in religion; competency in certain skills such as writing, speaking, and physical education; knowledge of subject matter such as natural science, mathematics, computer science or computer information systems; two interdisciplinary courses, and comprehensive evaluation at the senior level. In offering such a sequence of courses, the faculty realizes that students need more than a certain number of hours in order to be educated. As the Purpose of the University states clearly, liberal education at Lambuth involves a reaffirmation of the Wesleyan emphasis on academic excellence and faith in a world that needs freedom of inquiry, careful analysis, communication, responsibility, and service to others.

## Historical Background

On December 2, 1843, the Memphis Annual Conference of the Methodist Church received a charter from the General Assembly of the State of Tennessee authorizing the establishment of a college for women to be known as the Memphis Conference Female Institute. Almost without interruption this institution served West Tennessee with an educational program for women that was widely recognized. In November, 1921, the Memphis Annual Conference voted to establish a coeducational institution of higher learning. Accordingly, the M.C.F.I. charter was amended on January 3, 1923, providing for coeducation and changing the name to Lambuth College in honor of the pioneer Methodist missionary bishop, the Reverend Walter R. Lambuth, M.D. The first building, known now as Amos W. Jones Hall, was built in 1923-24. Dr. Richard E. Womack was elected president May 12, 1924. When Dr. Womack resigned after twenty-eight years of dedicated service, Dr. Luther L. Gobbel was elected President of Lambuth and assumed his duties October 13, 1952. In June, 1962, Dr. Gobbel retired after ten years of service. On July 1, 1962, Dr. James S. Wilder, Jr. became president. After eighteen years as president, Dr. Wilder became Chancellor of the College and retired from that position in December, 1981. Dr. Harry W. Gilmer became the President of Lambuth College on June 1, 1980, and served until October, 1986. In July, 1987, Dr. Thomas F. Boyd became President of the College. On July 1, 1991, Lambuth College became Lambuth University. When Dr. Boyd resigned effective April 29, 1996, after nine years of service, Dr. Joseph R. Thornton was appointed Acting President.

## The Purpose of Lambuth University

As an institution of the United Methodist Church, Lambuth University recognizes the interdependence of education and religion. Lambuth, therefore, reaffirms the Wesleyan emphasis on the necessity for both academic excellence and authentic faith that issue in the highest standards of personal integrity. The University endeavors to provide a congenial atmosphere where persons of all faiths may work together for the fullest development of their total lives.

As a university committed to the liberal arts, Lambuth provides resources and encouragement for students to reach an understanding of the cultural heritage of people throughout the world that will broaden their perspectives, enrich their personalities and enable them to think and act wisely amid the complexities of the present age.

As an institution of higher learning, the University strives to be an academic community of free inquiry in which men and women may prepare for lives of leadership and service to God and humanity. It is here that students are expected to acquire certain skills and knowledge which will give them an ability to examine life critically, appreciatively and comprehensively; a competence in at least one field of knowledge which will help prepare them for a profession or vocation; and a desire to continue their search for truth and knowledge throughout life.

## Scope of Service

Lambuth University is a fully accredited, coeducational four-year institution of liberal arts and sciences. It is the institution of higher learning for the Memphis Annual Conference of The United Methodist Church. Positively Christian in its philosophy, Lambuth endeavors to maintain an atmosphere in which persons of all faiths may pursue the truth without denominational bias.

Lambuth University offers programs of concentration in the traditional areas of the liberal arts, business and a range of other career oriented programs. Students desiring to enter agriculture, architecture, medicine, dentistry, pharmacy, nursing, medical technology, engineering, the ministry, religious education, law or other professions may secure the necessary pre-professional training at Lambuth. The University prepares students desiring to enter the teaching profession to qualify for elementary or high school state teachers' certificates.

Lambuth is an independent, non-profit institution of higher learning. The charges made directly to students represent only a portion of the total cost of instruction. The additional money is provided by the churches of the Memphis Annual Conference through the Sustaining Fund, by direct gifts from interested alumni, friends, foundations, and businesses, and by income from endowment.

Discrimination on the basis of religion, race, age, color, national origin, disability or sex is contrary to the principles to which the University is committed. Lambuth is an equal opportunity educational institution.

**The Jane Hyde Scott Center for Christian Studies** is an arm of Lambuth University designed to provide a vital and visible link with the United Methodist Churches of the Memphis Annual Conference.

The University's various academic and institutional resources are utilized to assist the churches of the Annual Conference in meeting their spiritual, missional and program needs.

Current programs include:

- Spiritual renewal for clergy
- Travel-study program in England
- Seminars and training sessions for clergy and laity
- Continuing education for various ministries
- Training and skill development for church staff personnel

Under the supervision of the Vice President for Church Relations at Lambuth University in consultation with the Conference Ministerial Educational Growth Committee and the Conference Council on Ministries, the Center seeks to strengthen relationships with the United Methodist Church, its people, and its ministries. The Center is privately funded through the gifts and donations of individual and corporate donors.

**The Lambuth University Small Business Development Center** was established in 1994 in cooperation with the U.S. Small Business Administration and the Tennessee Small Business Development Centers. The Center offers a full line of business counseling services to small business owners and individuals desiring to start a new business. ### **Accreditation**

Lambuth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award Bachelor level degrees. The University is approved by the University Senate, the official accrediting agency of The United Methodist Church, and by the Board of Education of the State of Tennessee for training of elementary and secondary teachers. Lambuth is also a member of the American Council on Education, Council of Independent Colleges, Council of Protestant Colleges and Universities, National Association of Schools and Colleges of The United Methodist Church, Tennessee College Association, Tennessee Council of Private Colleges, and the Tennessee Independent College Fund.

## Special Programs

---

**1. Honors.** An Honors study is available in most departments for students who have a cumulative GPA of 3.25 or higher at the end of the first semester of the junior year. Honors consists of the following eight semester-hour sequence of research or the equivalent over the last three semesters of study in a particular discipline:

Honors I. Two hours credit. Spring Term, Junior year.

Honors II. Two hours credit. Fall Term, Senior year.

Honors III. Four hours credit. Spring Term, Senior year.

Students completing this sequence are graduated “in honors.”

**2. Lambuth Scholar.** Each school may select two Lambuth Scholars, seniors who receive credit for course work but who meet requirements in a more independent manner than tests and attendance. Students satisfying these requirements are graduated as “Lambuth Scholars.”

**3. Adult Learner.** Lambuth University attempts to meet the special needs of some students by offering an Adult Learner Grant. An Adult Learner is a student who has graduated from high school at least eight years prior to enrolling at Lambuth. Those qualifying as an Adult Learner will receive reduced tuition charges.

**4. Evening Student.** A schedule of evening classes is offered throughout the year to serve those students who work full-time and cannot attend regular day classes. Students may be able to complete requirements for graduation by attending evening classes. Those qualifying as an Evening Student will receive reduced tuition charges.

**5. Three-Year Residence Program.** Students who wish to enter an accredited professional school (medicine, dentistry, engineering, etc.) at the end of their junior year may receive a Bachelor’s degree from Lambuth University by completing core requirements, major and minor requirements, G.P.A. requirements, a minimum of 96 semester hours, and by transferring 32 hours from the professional school upon satisfactory completion of that work. With departmental approval, eight hours of the final 32 to be transferred may be used to meet certain Lambuth requirements not otherwise completed. To be considered for this three-year residence program, a letter of intent should be filed in the Academic Dean’s office by mid-term, Spring semester of the Junior year. This letter will begin the process of a degree audit, designation of courses to be transferred from the profes-

sional school and their use, appropriate signatures which must be acquired before the program is approved, and arrangements with the Office of the Registrar to carry the files, receive the transcript from the professional school, and receive notification from the student through a diploma application of the anticipated Lambuth graduation date.

**6. Teacher Education.** The Lambuth program in Teacher Education meets licensure requirements for elementary, secondary, and special education. Courses in the Core Requirements, Professional Education and Subject Matter Areas meet the requirements of the State of Tennessee.

**7. Special Major.** The Special Major Program is designed for those students who discover that none of the established majors fits their needs. Students who want to enter this program should make application to the Academic Dean by submitting a proposal for the Special Major. The proposal should include (1) a faculty advisory committee, (2) course work in two or more disciplines, with a minimum of forty semester hours, and (3) completion or plans for completion of University requirements. Students seeking a special major should submit a proposal prior to attaining senior standing and no later than two regular semesters prior to graduation.

**8. Independent Study and Course Taught Tutorially.** With the instructor's recommendation and approval by the appropriate School Dean, students may elect to take a course tutorially or do an independent study. An independent study is a course not listed in the Catalog. A course taught tutorially is a course listed in the Catalog but not available for students because of the schedule. Students are limited to one independent study or one tutorial course per term and no more than three independent studies and three tutorial courses overall.

## Academic Standards

This catalog contains the policies, standards, and courses by which entering students fulfill academic requirements. Students who entered and were classified under the academic requirements of previous catalogs may complete graduation requirements which were applicable at the time if the degree is conferred within five years of entering Lambuth University. The final responsibility for fulfilling requirements for all degrees rests upon the individual students.

### 1. Classification of Students

Freshmen: Those who have earned fewer than 28 semester hours.

Sophomores: Those who have earned 28-59 semester hours.

Juniors: Those who have earned 60-91 semester hours.

Seniors: Those who have earned at least 92 semester hours.

**2. Numbering System:** Courses usually taken by freshmen are numbered 1000-1999; those intended for sophomores, 2000-2999; those usually taken by juniors, 3000-3999; and those planned for seniors, 4000-4999. Lower division courses are numbered 1000-2999; upper division courses are numbered 3000-4999. The fourth digit of the course number normally indicates the amount of credit hours.

For example, Chemistry 1314 has four credit hours. Course numbers with a “W” indicate a writing course. Course numbers beginning with a zero indicate courses that are institutional in nature and for which only institutional credit is given. These courses are included in the GPA calculations, semester and cumulative totals but do not carry graduation credit and may not be used for a major, minor, or core requirement.

### 3. Grading, Quality Points, Grade Point Average

Grade	Explanation	Quality Points per Credit Hours
A	Excellent	4
B	Good	3
C	Average	2
D	Poor	1
F	Failure	0
I(A,B,C,D,F)	Incomplete	4,3,2,1,0
P -F	Pass/Fail	0
W	Withdrawn	0
AU	Audit	0
NG	No Grade, No Hours Attempted or Earned	0

The grade of **I** is given only in exceptional cases. The **I** is issued with a letter grade (ID) indicating the grade earned if the work is not completed by the time set by the instructor but no later than the sixth week of the next regular semester provided no courses are taken in the interim. All **I** grades must have approval of the Academic Dean. Juniors and seniors may elect to take one course each term on a Pass/Fail basis, not to exceed four courses. This option is to be declared at registration. Changes thereafter must be approved by the Academic Dean. These courses must be electives outside the major, minor and core requirements and must have the instructor’s permission. No quality points may be earned. (Veterans see Veterans Education Benefits.) Permission to audit (AU) a course is given by the instructor if space is available. Course requirements for audit must be agreed upon by the instructor and the student. Grade Point Average (GPA) is determined by dividing the number of quality points earned by the number of credit hours attempted. Instructors, with the permission of the Academic Dean, may inform students that their final grade will be an F in any course at any time. Courses so affected may not be dropped after the drop period. This action may be appealed to the Academic Dean.

**4. Academic Honors.** To be eligible for Dean’s List honors, students must have a 3.5 GPA or higher at the regularly scheduled time for posting final grades at each semester’s end and receive credit for at least twelve semester hours work during the semester. Students otherwise on academic probation are ineligible. At Commencement, students who have a cumulative grade point average of 3.25 will receive their degrees **cum laude**; those who have a grade point average of 3.5 will receive their degrees **magna cum laude**; those who have a grade average of 3.85 will receive their degrees **summa cum laude**. Those students earning credits at other institutions are eligible for these awards if both the Lambuth academic ave-

rage and the overall academic average meet the requirements for honors at Lambuth.

**5. Course Load.** Sixteen hours per term constitute a normal course load. **Full-time** students are those who take a minimum of twelve semester hours during a regular term. **Part-time** students are those who take fewer than twelve semester hours during a regular term. Six hours during a regular term constitutes half-time enrollment. For financial aid purposes, a total of twelve hours for all summer terms inclusive is full-time enrollment and six hours for all summer terms inclusive is half-time enrollment. Students may not take more than six hours in any one summer term or five hours in May term. In order to carry more than sixteen hours in a regular term, students must fulfill the following requirements:

### Fall and Spring Semesters

GPA	HOURS
2.2 or less	12-16
2.3-2.4	12-17
2.5-2.9	12-18, Advisor's approval to take 18
3.0 or above	19-21, Advisor's and School Dean's approval to take above 18

Students should be aware that certain insurance benefits are contingent upon their enrollment as a full-time student. Further, changing status from full-time to part-time during or between academic terms may affect those benefits. Students are advised to check with their insurance carriers.

### Summer Sessions

Students must have permission of their school Dean to take more than five hours in May or six hours in any Summer Session.

**6. Repeated Courses.** Students are encouraged to repeat courses that have been failed as soon after the failure as possible. Any course may be repeated unless the privilege is denied by the Academic Dean. Lambuth accepts the highest grade earned. (Veterans see Veterans Education Benefits.)

**7. Course Changes.** Within the period of full registration, students may make changes in their schedules in consultation with their advisor. These changes will not appear on the Lambuth transcript. After the last day of registration, no courses may be added. Thereafter, courses may be dropped in consultation with the advisor until the drop period is over (see calendar). These courses will show on the Lambuth transcript as a "W." No refund will be made for courses dropped after the refund period (see section on "Refunds" in catalog). After the drop period, only in exceptional circumstances can courses be dropped after approval by (1) the advisor, (2) the instructor, and (3) the appropriate School Dean. There is a \$10.00 fee for all course changes.

### 8. Academic Discipline.

**a. Academic Probation.** Freshmen having less than 1.75 GPA and sophomores having less than 1.90 GPA in any term or cumulative for all terms, juniors and seniors having less than 2.00 in any term or cumulative for all terms, will be placed on academic probation. May and Summer Terms will be treated as one term for the purposes of probation. (Veterans see Veterans Education Benefits.)

**b. Academic Suspension.** Students who (1) fail 50% or more of their courses in two consecutive terms, or (2) have been placed on academic probation for two consecutive terms will be suspended. Transfer students are subject to the same academic probation regulations as Lambuth students (see a.) and those who are admitted under these regulations are subject to suspension after one term at Lambuth. This placement means that students cannot continue to attend Lambuth and must stay out for at least one regular term. The University will **not** accept hours earned at another institution while students are on suspension. Applications for readmission and appeals of suspension must be made in writing to the Academic Dean. Students suspended for the second time will be excluded. Lambuth reserves the right to suspend at any time students whose academic performance or action, in the opinion of the admissions committee, warrants such suspension.

**c. Social Suspension and Exclusion.** The University reserves the right to suspend or to exclude at any time students whose attitude, conduct, or academic standing is not in keeping with Lambuth's purpose and standards. In such case financial charges will not be refunded and neither Lambuth nor its officers will be under any liability for such exclusion. Appeals of Exclusion must be made in writing to the Academic Dean.

**10. Class Attendance.** Lambuth University affirms the relationship between class attendance and academic performance; hence, students are required to attend all classes. If the academic standing of a student is affected by absenteeism, the instructor will notify, in writing, the student and the Dean of Students. Students are accountable for every class meeting of every course for which they are enrolled. All absences, whether for personal reasons or for official university functions, are subject to this accountability. Whenever it is necessary for a student to be absent from class for any reason whatsoever, it is the responsibility of the student to consult with the instructor prior to class and to make up the work missed. In an emergency, absences must be explained when a student returns to class. Students may not be penalized for absences incurred for official university-sponsored activities, sponsored trips, and athletic contests. Instructors may assign reasonable and relevant compensatory work for absences.

**11. Withdrawal.** Students withdrawing from courses or from Lambuth during any term must make application in the Registrar's Office. No student may receive "W" grades until the application is completed and returned to the Registrar's Office. Students may not withdraw from courses or from Lambuth after the drop date and receive "W" grades without permission from the Academic Dean. All students planning not to return for the following regular term must have an interview with their advisors, the Vice President for Student Life, and the Director of Financial Aid.

**12. Transfer Credit.** Within the 128 semester hours required for graduation, Lambuth University requires a minimum of 60 semester hours of work at a four-year accredited institution. At least the last 32 hours must be earned at Lambuth University for a Lambuth degree. Lambuth students classified as a junior or senior may not receive credit for hours earned at two-year institutions.

**13. Correspondence and Extension Courses.** Correspondence and extension courses may be applied toward graduation only in exceptional cases and must be approved in advance by the Academic Dean. No more than the equivalent of eight semester hours or two courses may be applied in any circumstance.

**14. Cross-Campus Registration.** Currently enrolled Lambuth students have the opportunity of taking classes at Freed-Hardeman University and Union University through a cross-campus registration agreement with those institutions. Generally, this registration is to be used in emergency situations only, and arrangements must be made in the Office of Registrar. Approval of the Academic Dean is required.

**15. Additional Degrees.** Students wishing to earn a second baccalaureate degree at Lambuth may do so by completing 32 additional hours beyond that required for the first degree and by offering an additional major and fulfilling other requirements appropriate to that degree. (Veterans see Veterans Education Benefits.)

The Department of Education functions in the professional education of elementary, secondary, and special education teachers, in the preparation of students for graduate study and research in education, and in cooperative efforts with public and private school personnel for educational improvement opportunities.

Students who wish to become candidates to teach in the elementary grades or in special education, must have an interdisciplinary major. Teacher candidates who

wish to teach in grades K-4 must have a concentration in child development courses while students who wish to teach in grades 5-8 must have a concentration in the arts and sciences. Students planning to teach in the secondary schools major in the appropriate certifiable subject matter. Those wanting licensure in Special Education must have an Exceptional Learning Major with a choice of emphasis in Speech and Language, Early Childhood, Hearing Impaired, Comprehensive Programs or Modified Programs. Those wanting licensure in elementary, secondary or special education may earn the Bachelor of Arts or Bachelor of Science Degree. All programs are approved for licensure in the State of Tennessee. Program adjustments can be made to meet the licensure requirements of other states.

### **Statement of Outcomes for Students**

“The Education Department of Lambuth University seeks to prepare its students for licensure by providing a common core of liberal arts and sciences based upon Christian values reaffirmed by the Wesleyan emphasis on the necessity for academic excellence and authentic faith that issue in the highest standards of personal integrity. Lambuth University strives to be an academic community of free inquiry in which future teachers are encouraged to broaden their perspectives and to reach an understanding of other cultures as they prepare for lives of leadership and service.”

### **Admission to Teacher Education**

Students desiring a license to teach must be accepted by the Education Department before enrolling in any methods courses in the teacher preparation sequence. This should be done one semester prior to anticipated enrollment in methods courses. If approved, students are expected to enter a planned sequence of courses and follow them to completion.

In order to be considered for the Teacher Education Program, all of the following requirements must be met/submitted to the Chair of the Education Department for presentation to the Education Advisory Committee:

1. An enhanced ACT score of 22 or above **OR** combined SAT score of 920 (Verbal & Math) **OR** the following scores on the State-mandated Pre-Professional Skills Test: 169-Reading; 169-Math; 172-Writing.
2. Overall GPA of 2.5 or above
3. An average GPA of 2.5 for Foundations of Education (EDU 2524W) and Exceptional Child and School (EDU 3304).
4. Two written recommendations from Lambuth faculty outside the Education Department
5. Autobiographical information in narrative form.
6. An interview with the Education Advisory Committee or its representative.
7. A completed written application.
8. Approval by Education Advisory Committee.

### **Insurance Requirement**

All students in Education courses requiring observation hours, tutorials, practica, or student-teaching must purchase STEA personal liability insurance within the

first full week of classes. This is required by law, and no Lambuth student will be placed in local public schools without this insurance. Prices will vary, and every effort will be made to keep fees reasonable. Exact price will be announced on the first day of each Education class.

### **Admission to Enhanced Student Teaching**

Application for Enhanced Student Teaching must be on file in the Education Department (Hyde 314) at least one semester in advance of the term in which the student expects to take the course. The application must be approved by the student's major advisor and the Educational Advisory Committee. Enhanced Student Teaching will normally be within a 30-mile radius of Jackson (subject to approval). Students will not be permitted to work in the same school with a relative or in schools they attended unless a period of 10 years has elapsed since leaving the school. Further, students will not be allowed to enroll in any other course during the Enhanced Student Teaching semester.

Before admission to the Enhanced Student Teaching term, the student must have fulfilled the following requirements:

1. Admission to the Teacher Education Program.
2. Completion of the Professional Core Courses.
3. Completion of course work in the major area(s).
4. Completion of special methods course(s).

(In addition, the Portfolio must include a statement showing a minimum of 180 clock hours of instructional contact done during course work while at Lambuth with individuals within the age range of the proposed Enhanced Student Teaching experience.)

### **Recommendation for License**

Tennessee State regulations stipulate that the applicant for a professional license must be recommended by the teacher-training institution. The Chairperson of the Department of Education is the official designated to recommend students for teacher licensure. Recommendations are given only to those students satisfactorily completing the professional programs as outlined. To receive this recommendation, the applicant must have fulfilled the following requirements:

4. Fulfillment of all requirements as set forth in the Lambuth Catalog.
5. Submission of satisfactory scores from both the Core and Specialty sections of the National Teachers Examination.

ELEMENTARY EDUCATION CERTIFICATION PROGRAM

The Elementary Education Certification Program at Lambuth is designed to produce competent teachers for programs in kindergarten through the eighth grade. Since recent research has highlighted the centrality of the teacher in determining the quality of instruction in the classroom, and the quality of instruction with the amount that students learn, priorities of this program are to transmit the knowledge, values, and skills necessary to place more effective teachers in classrooms. It includes knowledge believed to be important to the teaching of values, content, knowledges, and skills which students will need if they are to live rewarding and satisfying lives.

The program will offer two areas of specialization: early grades and middle grades. The early grades specialization will prepare the student who wishes to teach in grades Kindergarten through four, and the middle grades specialization will prepare the student who wishes to teach in grades five through eight.

These specializations are realized through an Interdisciplinary Studies Major (K-4) or an Interdisciplinary Studies Major (5-8). Each major requires successful completion of three groups of courses: I. The General Education Core; II. The Professional Education Core; and III. The appropriate Interdisciplinary study courses. The student must also complete the Enhanced Student Teaching semester successfully. Both of these avenues of study result in certification in the elementary grades K-8.

In addition to the Interdisciplinary Studies majors, the university provides a Special Major consisting of (1) a faculty advisory committee, and (2) course work in two or more disciplines, with a minimum of forty semester hours. Further, students may, of course, select one discipline as a major and receive endorsement in Elementary Education by successfully completing the Professional Core and appropriate courses to acquire the knowledge and skills necessary for successful teaching.

General Education Core

The General Education Core consists of the Lambuth University Core Curriculum (47 hours) with the addition of specific courses listed as the Supplemental Core. The Supplemental Core consists of courses intended to expand the University Core by highlighting the Social Sciences and the Arts.

A. Lambuth University Core (see pp.11-12) .....	47 hours
B. Supplemental Core

7.Special Education: Hearing Impaired (PreK-12) .....	22 hours
8.Secondary Education .....	29 hours
General Core =	69-76 hours

### Professional Education Core

The Professional Education Core at Lambuth is designed to equip students to succeed in the face of the complexities of today's classrooms. It is believed that to achieve such success, students must have a solid grasp of learning theory as well as a thorough understanding of pedagogy. It is further believed that such knowledge without application is moot. Therefore, courses in the Professional Core include opportunities for students to study the historical, sociological and philosophical foundations of education; the cognitive processes necessary for learning content in an integrated fashion; and opportunities to observe and apply this knowledge in actual classroom settings.

(Note: Unless indicated otherwise, all courses apply to both K-4 and 5-8 specializations.)

Transfer students with fewer than twelve semester hours from an accredited college or university must satisfy Freshmen admission requirements.

**Advanced Placement, CLEP, Military, and other Credit.** Entering freshmen who successfully pass Advanced Placement Examinations or College Level Examinations prepared and administered by or under the auspices of the College Entrance Examination Board, or other comparable examinations, may be eligible to receive credit for certain courses. Application for such credit should be made to the Academic Dean by submitting examination scores. A maximum of 32 semester hours may be earned by examination or extra-institutional means. Military credit as well as other credit sanctioned by the American Council on Education may be acceptable to Lambuth with appropriate evaluation and approval.

work that is acceptable at Lambuth University. Excess quality points earned on work taken elsewhere will not be allowed to make up for a deficiency in quality points on work taken at Lambuth.

To allow for adequate processing time, it is suggested that international students apply by May 1.

**Special Students.** Persons who have not fulfilled admission requirements or who do not seek academic credit toward a degree at Lambuth may apply to be admitted as special students. Application for this status should be made to the Academic Dean. If a special student desires to become a degree candidate, he/she must make application to the Admissions Committee for change of status. Special students are not eligible for some forms of financial aid normally available to degree seeking students.

**High School Students.** A limited number of high school students may enroll for college credit courses at Lambuth. To be admitted to such courses, a high school student must have earned at least a "B" average or its equivalent, must have the recommendation of the high school principal or guidance counselor and must have the permission of parents or guardians. Credits and grades earned by these students will be considered valid college work upon the student's graduation from high school.

---

## Admission Procedure

---

All students should apply for admission as far in advance of the opening of the University as practicable, particularly if housing accommodations on the campus are desired. It is not necessary to have finished high school before making application for admission to Lambuth; a transcript showing credit earned for six or more semesters may be followed later by a supplementary transcript showing the completion of the work. Final approval of any application is contingent upon

graduation from secondary school except for those students eligible for admission under the early admission programs. Intentional falsification of any information will result in exclusion from Lambuth. Students admitted to Lambuth will have grades and credits withheld and will not be permitted future enrollment until all materials required for admission and registration are on file in the Registrar's Office.

### **For Freshmen.**

1. Complete application form and return it with \$10.00 evaluation fee (non-refundable) to the Office of Admissions.
2. Have official high school transcripts sent to the Office of Admissions.
3. Have official ACT or SAT scores sent to Office of Admissions.
4. If interested in financial aid, contact the Director of Financial Aid immediately.

### **For Transfer Students.**

1. Complete application form and return it with \$10.00 evaluation fee (non-refundable) to the Office of Admissions.
2. Have official transcript from each college previously attended sent to the Office of Admissions.
3. Have Transfer Student Evaluation Form (available at Lambuth Office of Admissions) completed by Dean of Students at last institution attended.
4. If seeking financial aid, contact the Director of Financial Aid immediately.

### **For Former Students.**

Former students of Lambuth must apply for readmission through the Office of the Registrar. This application will request current information about the student and an account of educational experiences during the absence from Lambuth. Students who have been dismissed for Academic reasons must contact the Academic Dean to petition for readmission. Such petitions are considered by the Admissions Committee.

# Financial Information

Lambuth strives to keep the cost of a college education within reach of every man and woman. The Director of Financial Aid is available to advise students regarding their financial situations. Charges listed are for the regular fall or spring term for the 1995-1996 university year. The University reserves the privilege of changing any or all charges at the beginning of the term if necessary to meet budget requirements.

## Payments

---

Entering students planning to enroll and reside on campus are required to pay a room deposit of \$75.00. Requests for specific residence halls, rooms, and roommates are granted according to the date the room deposit is received. If the deposit is not received by May 1, the University cannot guarantee that space is available. Entering students not residing on campus are required to submit a \$25.00 class reservation fee. All returning students planning to reside on campus are required to pay an advance room deposit of \$25.00. These payments will be credited to the students' accounts. No scholarship, loan, or other award may be applied against the advance payment.

Full payment of tuition, room, board, fees and other charges will be required before classes begin each semester. The cost of an education at Lambuth is of concern to students, their families, and to the University. For students who cannot afford to pay in full, Lambuth will offer a Deferred Payment Plan to assist students in financial planning. Visa, Mastercard, American Express, and Discover are accepted for payment up to the approved limit for charges to these accounts. The four-payment deferred plan will be calculated as follows:\*

1st Payment—One fourth of balance must be paid the day of registration for each semester.

2nd Payment—September 27	Fall semester
February 14	Spring semester

3rd Payment—October 31	Fall semester
March 14	Spring semester

4th Payment—November 29	Fall semester
April 15	Spring semester

A student must settle his or her account for the current and/or any previous semester including charges accumulated during the present term of enrollment before a grade report, transcript or diploma can be released, and before being eligible to re-enroll for a subsequent semester.

*\*It is the student’s responsibility to make arrangements for all financial aid, outside scholarships, loan, and other payment plans prior to the beginning of the semester. All pending financial aid approved by the financial aid director will be considered, excluding work study.*

# Refunds

---

When a student withdraws from the University during a semester, a refund calculation will be made based upon one of the following:

A Pro-Rata Refund will be performed on students who are enrolled as first-time Lambuth students if they withdraw before 50% of the semester has elapsed. This calculation is performed in accordance with Federal Regulations.

Any student who is not a first-time student at Lambuth will have a refund calculated in accordance with Federal Regulations by both the institutional policy as well as the Federal Refund Policy. The calculation providing the largest refund will be used.

## A. Institutional Policy

Period of Enrollment	Percent of Tuition to be Refunded
Within one week .....	90%
Within two weeks .....	70%
Within three weeks .....	40%
Within four weeks .....	20%
Over four weeks .....	No Refund

## B. Federal Policy

1. Withdrawal on first day of class, refund will be not less than 100% of the student’s institutional charges, less an administrative fee, if any;
2. Withdrawal after first day of class, up to and including the end of the first 10% (in time) of the period of enrollment, refund will be at least 90% of the student’s institutional charges, less an administrative fee, if any;
3. Withdrawal after the first 10% of the period of enrollment, up to and including the end of the first 25% (in time) of the period of enrollment, refund will be at least 50% of the student’s institutional charges, less an administrative fee, if any;
4. Withdrawal after the first 25% of the period of enrollment, up to and including the end of the first 50% (in time) of the period of enrollment, refund will be at least 25% of the student’s institutional charges, less an administrative fee, if any;
5. Withdrawal after the first 50% will result in 0% refund.

May and summer term refunds will be prorated on a similar basis depending on the length of the term.

Room charges, matriculation, student activity fees, and special fees are not refundable. Charges for meals are refundable on a prorated basis. Periods of enrollment are based upon the day of registration and the day of formal withdrawal as recorded in the Office of the Registrar. Students dismissed for academic or disciplinary reasons are not entitled to refunds.

# Financial Aid

Lambuth offers numerous ways for students to finance their Lambuth education. A Lambuth University Scholarship/Financial Aid application may be requested from either the Admissions Office or the Financial Aid Office. The Free Application for Federal Student Aid (FAFSA) may also be requested from these offices or from a high school guidance counselor.

Lambuth students may apply for all federal programs offered through the United States Department of Education. These programs are described in detail in the following pages. All students who need financial assistance are encouraged to apply for Federal student aid as recent program changes may make all students eligible for some form of Federal aid.

Applicants for any financial aid must be accepted for admission to Lambuth before any award may be discussed or offered. In order to receive priority consideration for financial assistance, students should apply for both Federal aid and Lambuth aid by February 15. Priority in awarding is given to students who are accepted for admission and have turned in all documents by March 15. (For all students starting in the spring semester, all documents should be turned in by November 15.)

**Satisfactory Academic Progress.** The United States Department of Education requires students receiving federal assistance to make academic progress toward graduation. A student must make progress toward a degree both in the number of hours earned in any term as well as cumulative hours earned for all terms and grade point average in any term or cumulative grade point average for all terms. The following quantitative and qualitative measures are used to determine satisfactory progress at Lambuth University.

Years	Hours Earned/ Attempted	Minimum Hours Attempted	Semester G.P.A.	Cumulative G.P.A.
1	24/27	0-27	1.75	1.75
2	50/59	28-59	1.90	1.90
3	76/91	60-91	2.00	2.00
4	104/128	92-128	2.00	2.00
5	128/160	129-160	2.00	2.00

Adjustments to the above time frames are made for part-time students.

Students receiving federal assistance may receive such aid up to 160 credit hours attempted. Students who receive all F's or W's for a semester are suspended from further financial aid unless extenuating circumstances are documented and accepted by the Lambuth Director of Financial Aid. Any appeal of a Financial Aid

Suspension must be made in writing to the Lambuth Director of Financial Aid. Also, any student placed on Academic Suspension is automatically placed on Financial Aid Suspension. Appeals must be made in writing both to the Academic Dean and to the Director of Scholarships and Financial Aid.

### **How to Apply for Federal Student Aid**

Complete the Free Application for Federal Student Aid (FAFSA) as soon after January 1 as possible. This application determines eligibility for all federal programs including student and parent loans. Be sure Lambuth is listed as one of the schools on the FAFSA.

The Financial Aid Office is required by law to obtain IRS tax return forms and other documents from many students and families. Please provide these only when requested to do so by the Financial Aid Office. If these forms are requested, no financial aid may be awarded until the Financial Aid Office has received and processed them. Students who turn in documents after November 1 for the Fall semester or after February 1 for the Spring semester cannot be assured of receiving financial assistance for that semester.

**STUDENTS SHOULD SUBMIT A NEW APPLICATION FOR ALL FEDERAL STUDENT AID EACH YEAR TO BE RECONSIDERED FOR AID THE NEXT YEAR.**

### **How to Apply for Lambuth Scholarships/Grants**

Complete a Lambuth University Scholarship/Financial Aid Application. Academic scholarships are awarded to students accepted for admission before February 15. Students who would like to be considered for a Lambuth Workshop award must also submit the FAFSA.

Students begin repaying these loans six months after they graduate, cease at least half-time attendance, or withdraw from school at a payment of at least \$50 per month. The Financial Aid Office will conduct an entrance interview before the student receives their first loan, and an exit interview at the conclusion of the student’s enrollment at Lambuth, if the student becomes enrolled for less than half-time, or withdraws.

**Federal Parent Loan for Undergraduate Students (PLUS).** The Federal PLUS Loan Program is a non-need based source of funds available to the parent of a dependent undergraduate student. Parents may apply to borrow up to the cost of attendance minus financial aid. The interest rate is variable, set each July 1, and is usually around seven to nine percent. The maximum allowed by law is nine percent, but may vary depending on the date of the first loan borrowed.

Work Programs

**Students on one of the two student work programs are paid on a monthly basis. Students whose charges at the University have not been paid in full are encouraged to apply their earnings to their student accounts. Workstudy/Workship awards are not considered a credit at registration as the students are paid only for the hours for which they work.**

**Federal College Work Study Program (FWSP).** This is a federal program that provides part-time jobs for students with financial eligibility as established by the FAFSA. A student is assigned to work a specified number of hours at a campus location—typically five to ten hours per week—and is paid the current federal minimum wage for hours worked on a monthly basis.

**Workship.** This program provides part-time employment for students who do not qualify for FWSP. Full-time students with special skills are eligible for employment on a first-come-first-served basis until funds have been exhausted.

**Off-Campus Employment.** Jackson is a city with a population of 55,000 with a variety of employment opportunities for college students. For information contact the Placement Office at Lambuth.

## **Other Federal Programs**

**Veterans Education Benefits.** Lambuth participates in all Veterans Programs. Please consult the nearest Department of Veterans Affairs to determine your eligibility for these programs.

1. Students receiving enrollment verification for Veteran's Benefits will have that verification terminated after being on academic probation for two consecutive terms unless mitigating circumstances occur as determined by appropriate Lambuth officials.
2. Students receiving Veteran's Benefits for taking courses at Lambuth on the pass—fail option will not receive those benefits for such courses that are failed.
3. Students receiving enrollment verification for Veteran's Benefits will have that verification terminated at Lambuth for one regular semester, including summer after a Spring term, following a failed second attempt at ENG 0053 (Writing Skills 1) or ENG 0063 (Writing Skills 2) should such students be placed in one or both of these courses. Upon having enrollment verification reinstated after a semester's hiatus, students failing one of these courses after a third attempt will not receive such verification for a period of one full academic year.
4. Students receiving Veteran's Benefits at Lambuth may not receive those benefits for repeating courses previously passed.

# Student Life

## Religious Life

The University encourages students to understand their academic and social life as a reflection of their religious faith. As an institution of the United Methodist Church, Lambuth University provides an opportunity for students to understand the importance of their faith and actions. Under the direction of the Dean of the Chapel and the assistant Chaplain, students attend worship services on and off-campus and plan other activities which reflect their religious interests and concerns.

The Campus Congregation is open to all students. Short courses in religion, a clown ministry, films, study groups, and Kappa Delta Kappa, an organization for those interested in a church-related vocation, are part of the Campus Congregation's activities. Programs with a special focus are also offered for the entire community.

## Student Organizations

---

### Student Government Association

Student self-government plays a significant role in shaping the quality of student life at Lambuth University. The Student Government Association represents all segments of the student body and is organized to help formulate and voice student opinion regarding all university policies and to allocate its organization fund to appropriate committees. Participation in this important organization is open to all students through voting in SGA elections, attending Senate meetings, volunteering for one of the many SGA committees, and sharing questions and concerns about issues. The SGA Office is located on the lower level of the Wilder Student Union.

### Student Activities Committee

The Student Activities committee is responsible for creating and implementing a comprehensive student activities program for the entire campus. This committee works with various agents and artists throughout the United States to bring comedians, musical groups, hypnotists, juggling routines, and bands to our campus. SAC is a member of the National Association of Campus Activities (NACA), and several members attend the regional conference every year to find new talent to bring to campus. The committee plans a variety of activities to involve students in social, cultural, and recreational opportunities. SAC is responsible for the planning and coordination of all the activities during Lambuth's annual Winterfest and Spring Fling weeks. The committee also sponsors other events such as an all-

night volleyball tournament, student acoustical jam sessions, a movie-on-the-green film series, bowling nights, and quad picnics and bar-be-ques. Furthermore, SAC remains available for service and support to other organizations and the administration such as providing entertainment during Parent's Weekend, Homecoming, and Alumni events.

## Honor Societies

**Alpha Psi Omega** is a national honorary dramatics fraternity. Membership is earned on a point system.

**Gamma Beta Phi** is an organization that affords college students an opportunity for fraternal association in academic endeavor. All members are required to maintain a "B" average.

**Omicron Phi Tau.** A local honor fraternity organized in 1930. The purpose of this organization is to promote scholarship in the University and to recognize those who have achieved a high degree of scholarship. Eligibility in the second term of the junior year and in the senior year requires an academic average of 3.5. The requirements are in line with national honor fraternities.

**Phi Alpha Theta** is an international history honor society. The membership of the organization is composed of students and professors who have been elected to membership upon the basis of excellence in the study of history. The objective of Phi Alpha Theta is the promotion of the study of history by the encouragement of research and the exchange of learning and thought among historians. It seeks to bring students, teachers, and writers of history together intellectually and socially.

## Departmental and Special Interest Groups

Departmental Clubs and extracurricular organizations are organized for the purpose of promoting, conserving, and strengthening interest within particular fields.

**American Chemical Society.** The student Affiliate Section of the American Chemical Society is open to all chemistry majors with at least a "C" average in chemistry. Upon graduation student affiliates become members of the American Chemical Society.

**Black Student Union.** The purpose of the organization is to initiate reforms where needed in obliterating discriminatory practices, to introduce and display by individual and/or group efforts various aspects of Afro-American culture and history, and to promote more unity and awareness to issues affecting all Black people.

**Civitas.** This is an association of students majoring or minoring in Political Science that is interested in the study of political science and the observation of current politics. The club works to promote political awareness and to encourage civil society. Civitas members participate in a range of activities from local voter registration drives and visiting the functioning parts of the local governing appa-

ratus to attending political lectures, visiting national government functionaries in Washington D.C., and participating in regional intercollegiate simulated United Nations Conferences. Civitas provides members with a more in-depth understanding of political workings.

**Hands in Flight.** The Lambuth Dactylology Club is organized for students who are interested in learning how to communicate with the deaf and bridging the gap between the deaf and hearing worlds. Membership is open to any student on campus, regardless of the major field of study.

**International Students Association.** This is an organization of foreign and American students interested in foreign countries. ISA is open to all students from different countries and cultures, as well as American students with an interest in and knowledge of foreign cultures. The club sponsors various activities to encourage international life on campus, such as pumpkin-carving contests, participation in Homecoming, and other student clubs' activities. The club also holds a yearly banquet and International Day. ISA students are available as speakers for community activities and events.

**Sociology Club.** The Sociology Club is interested in the growth and development of sociological inquiry. It is dedicated to the investigation of humankind for the purpose of service. It sponsors the annual West Tennessee Undergraduate Sociological Symposium and other opportunities for scholarship, fellowship and service. The Sociology Club is open to anyone with an interest in Sociology.

**Student Chapter of the American Society of Interior Designers.** A student professional chapter of International A.S.I.D. open to both interior design majors and interested students at large.

**Student National Education Association.** The Ruth Marr Chapter of the Student National Education Association is composed of students interested in becoming teachers. Local membership provides membership in the National Education Association and the Tennessee Education Association.

## Greek Organizations

**The Panhellenic Council.** There are three national sororities on campus—Alpha Omicron Pi, Phi Mu, and Alpha Kappa Alpha—which work together in a Panhellenic Council. They work to promote good relations and greater unity among the women's Greek groups, and they establish and administer rules for rush and other rules applicable to the sororities. Each sorority is represented on the Panhellenic Council by two delegates from their respective organizations.

**Interfraternity Council.** The three men's groups—Kappa Alpha, Kappa Sigma, and Sigma Phi Epsilon—are governed by an Interfraternity Council, which is composed of chapter presidents, fraternity representatives, and an advisor from the Student Life Office. IFC oversees fraternity activities including the rush program, educational programs, and all-campus events. IFC also sponsors the Fraternity Award of Excellence program and several Greek issues programs throughout the year. IFC seeks to promote cooperation and understanding among the fraternities and to educate the Greek community on issues facing Greeks nationally.

## Athletics

All students are encouraged to participate in some form of athletics. The University recognizes the physical, mental, and social benefits learned in athletic competition and offers opportunities to develop a sense of fair play and sportsmanship. Intramural sports include basketball, softball, flag-tag football, volleyball, archery, cross-country, and track and field.

As a member of the National Association of Intercollegiate Athletics, Lambuth's varsity teams compete in men's football, basketball, baseball, tennis, soccer, golf, track, and women's volleyball, basketball, tennis, soccer, softball, and track. The University is also a member of the Tennessee Collegiate Athletic Conference.

## Housing

**Room and Board.** The University has five residence halls. Full-time students who are not residents of Jackson and vicinity are required to live in the residence halls and to take their meals in the University dining hall or with special permission may live with near relatives in Jackson. This requirement does not apply in the case of married students attending Lambuth together. However, either one of a married couple may choose to live in a University residence hall if the other is not a student at Lambuth University at the same time. Room assignments are made in the Student Life Office by the Director of Housing.

**Regulations.** Each residence hall has its own Council which is responsible for the governance of the hall. Expenses include a \$75.00 room deposit paid through the Admissions Office for first time students. All students are charged a \$50.00 non-refundable maintenance fee and a \$10.00 key deposit at registration. The room key deposit is refundable when the key is returned at check-out time if there is no outstanding student account balance. Students are responsible for damage to the room, and to the residence halls. Residence halls are closed during holiday periods observed by the University.

**Guests.** Guests who occupy a residence hall guest room will be charged \$12.00 plus tax per person per night. A guest may share a student's room at no cost provided the Residence Director is notified and the guest signs the guest register immediately upon arrival in the dormitory.

**Non-resident Students.** Lambuth serves annually many students whose homes are in Jackson and vicinity. Facilities are provided for day students in the classrooms, laboratories, library, recreation and athletic centers, and dining hall. In the dining hall meals are furnished as required and charges are made by meal accordingly.

## Publications

Lambuth University has four major publications. **The Vision** is the student newspaper published by a student staff and supervised by an editorial board. **The Lantern** is the University annual managed by the administration and the students. **The Lambuth Magazine**, a University publication, is published four times

annually. It presents news of all facets of college life (administrative, alumni, faculty and students), and is mailed to over 26,000 alumni and other friends of the University. **The Coffeehouse Papers**, the University literary magazine, seeks to encourage creative writing at Lambuth. It is published once a year by a student staff.

## Counseling and Health Services

**Student Health Service.** Lambuth is concerned that each student should safeguard his or her health and promote his or her physical development. Through its Department of Health and Physical Education, its intramural sports program, its recreational facilities, and its care of the student in case of illness, the University contributes systematically and regularly to this end. Infirmary service is provided for students with minor ailments. In case of illness requiring the attention of physician, surgeon, or other specialist or the care of a hospital, such service is available at the student's expense. Each student is expected to purchase health and accident insurance unless proof is submitted that the student is covered by a family, group, or other policy for the current college year.

**Student Counseling Service.** Lambuth University provides individual and group counseling services for all students. Personnel in the offices of Student Life, and members of the freshman Faculty-Peer Advisor teams are all well-qualified to assist students with their counseling needs. Through the Learning Enrichment Center diagnostic tests may be administered to aid in counseling. Tutorial services are available through the Learning Enrichment Center.

**Freshman Faculty-Peer Advisor System.** Each freshman is a part of an advising team comprised of a faculty member and an upper class student. These teams work with students in an effort to promote adjustment to University life and assure academic and social success. Upon completion of the freshman year, students are invited to select advisors in their major area of study to assist in academic advising for the remaining years at Lambuth.

## Records

A student directory is printed each semester for use by Lambuth faculty, administration, staff, and University-approved campus organizations. Lambuth University considers as directory information each student's name, sex, home address, telephone number, dates of attendance, class, previous institutions attended, major and minor fields of study, awards, honors, degrees sought or awarded, date of graduation, athletic information, participation in officially recognized sports and activities, religious preference, faculty advisor, name of parents, guardians or spouse, date and place of birth, weight and height of athletic team members, photograph, and country and citizenship. Students who prefer that this information about them not be released should notify the registrar within one week of their official registration.

**Transcripts.** Academic records are kept in the Office of the Registrar. A student is entitled to one copy of his or her record without charge, and additional copies

are \$2.00 each. All requests for transcripts must be in writing. No transcript will be issued for any student or former student whose financial accounts are delinquent. Lambuth will accept FAX requests for transcripts and will FAX transcripts in exceptional circumstances. The charge for this service is \$5.00.

## Family Educational Rights and Privacy Act

Lambuth University complies fully with the Family Educational Rights and Privacy Act of 1974. This act insures that students have the right to inspect and challenge the accuracy of their educational records and that these records are private and subject to certain protections. Students are notified annually of these protections and any procedures pertinent to their application through a detailed description in the Student Handbook.

## Campus Security Information

In compliance with the State of Tennessee, Senate Bill Number 1406 entitled "College and University Security Information Act," Lambuth University makes appropriate records available for review in the Office of the Director of Public Safety located in the Wilder Student Union.
